APRIL 18. FUN AND MISCHIEF.

The Demon of the Air
is the germ of la grippe, that, breathed in, brings suffering to thousands. Its after effects are weakness, nervousness, lack of appetite, energy and ambition, with disordered liver and kidneys. The greatest need then is Electric Bitters, the splendid tonic, blood purifier and regulator of stomach, liver and kidneys. Thousands have proved that they wonderfully strengthen the nerves, build up the system and restore health and good spirits after an attack of grip. If suffering, try them. Only 50c. Perfect satisfaction guaranteed by all dealers.
